Petrópolis, Brazil, _____ November 2026

Authorship Responsibility and License Agreement

We, the undersigned authors, hereby agree to the following:

- Authors of accepted articles retain the copyright and grant the journal the right of the first publication, simultaneously licensing it under the Creative Commons Attribution License (https://creativecommons.org/licenses/by/4.0/).
- The submitted manuscript is original and it is not under simultaneous consideration by any other publication, nor has it been published previously in any format.
- The authors declare that we participated in the elaboration of this work and have full power to sign this agreement.
- The authors declare that all trademark and copyright use in the manuscript was credited to its owner or written permission to use the name has been granted.
- The authors declare that informed consent was properly collected, archived, and made available should the journal request a copy.
- The authors declare that all statements asserted in the manuscript as facts are true or based on reasonable research for accuracy.
- Any potential conflicts of interest regarding all authors have been fully disclosed in a conflicts-of-interest statement. This form should be sent as a supplementary file along with the manuscript.
- All funding sources from all authors have been fully disclosed for all authors (including institution name and grant numbers) on the submission system.
- That the manuscript is by the procedures and regulations and that proper authorization has been received by the Research Ethics Committee of the Institution of origin.

Manuscript title:

Kirkpatrick-Based Framework Integrating Safety and Sustainability in Aviation Maintenance: Waste Reduction and Resource Efficiency
